

Service-Learning 101

Relevance

How do you do Service-Learning?

1. Roles

2. Relevance

3. Reciprocity

4. Reflection

5. Risk Management

6. Reporting

6 R's

Relevance

- “...incorporates and applies real and rigorous academic content throughout the service and engaged-learning activity.” (Workman and Berry, 2010).
- Service-learning courses need to relate project(s) to specific learning outcomes that address a real community need.
- Instructors should explain how the community service relates to class content and use assignments that link the service directly to the course content.
